Description: This classic, with a new introduction by Madeleine L'Engle, is by turns an entrancing meditation on language; a piercing commentary on the nature of art and why so much of what we read, hear, and see falls short; and a brilliant examination of the fundamental tenets of Christianity. The Mind of the Maker will be relished by those already in love with...

Review: An endearing and lucid attempt, mostly successfully so, to explain the Christian Trinity. As a student in school, when asking a priest to explain the concept of the Trinity, he would fold his hands in prayer and explain, Why that's a holy mystery, son! A spiritual enigmatic answer, but one that still begs explanation. Dr. Sayers has done so magnificently...
